Agree. However your Dan Bongino 'only follows liberals' statement is incorrect.

1

**Matt Couch** @RealMattCouch · 2h
Dan has stated publicly and to me in person that he follows liberal pundits so he can counter and see what they are saying. My point isn't that he only follows liberals, that he follows them to understand where they are coming from and counter it.

Just voted NO on the impeachment inquiry resolution.

Doesn't ensure minority subpoena power or release of transcripts. Doesn't equally allocate staffing between parties. Doesn't allow POTUS' counsel to be present to question witnesses & present evidence. It's just a Schiff Show.

Reluctant? Please. Democrats are a party craving impeachment.

**Mark Meadows** @RepMarkMeadows · 4h

Here they are:

2017, H. RES. 646 - 58 Dems supported
2018, H. RES. 705 - 66 Dems supported
2019, H. RES. 498 - 95 Dems supported

Don't let them tell you they're reluctantly approaching this. They've always been looking for some reason - any reason - to go after this President.

Dan has stated publicly and to me in person that he follows liberal pundits so he can counter and see what they are saying. My point isn't that he only follows liberals, that he follows them to understand where they are coming from and counter it.

The next payment that was made to Crowdstrike occurred on July 11th, 2016 for the amount of $98,849.84. The relationship to this date happens to be the day after DNC Data Director of New Voter Registration Seth Rich was murdered.

The final payment to date is August 3rd, 2016. This coincides with another murder in the District of Columbia. Shawn Lucas, who died on August 2nd of last year, was the DNC Process Server and close friend of Seth Rich. The payment on August 3rd included two checks, one for $113,645.77 and the other for $4,275.00

The night of the Al-Baghdadi raid, I received a call from one of my brothers and fellow teammates Josh Filippo who received a phone call. He told me we had either killed or captured Baghdadi, but it was a green light. We were out with it before anyone. We broke this one too.

The moral of this thread tonight.. It's not to complain, to whine, or to bellyache..

It's to point out that we're the most accurate and over the target group in America, and because we refuse to stop investigating what others won't touch, we get ZERO credit for our work.

Within two hours of the Jussie Smollett Accusations, we came out and told you it was a HOAX. We reported it before anyone as our sources on the ground in Chicago informed us it didn't pass the smell test. We broke that story too. Thanks to the Graham Cracker again.

In June of 2017 we uncovered from the cousin of Seth Rich that He and his girlfriend were in fact broken up at the time of the murder

Why does that matter. Why would that person continue to go and be at all press conferences months/years after the death?

In July of 2017 we uncovered the Hospital that Seth Rich was taken to. MedStar Hospital in Washington, D.C.

That had been covered up for a year, and we couldn't figure out why it was such a big deal. As I continue this thread, you'll understand

I'm still laughing at the fact that liberals are so ignorant they didn't realize that UFC President Dana White and President Trump were close friends..

These people are uneducated morons.. Respond first, educate later..

No wonder they elect idiots in their districts..

Steve Hilton was destroying Marie Harf and calling her out for being corrupt and covering up the truth, and he laid out the facts..

Fox News cuts off as she's screaming at him and goes to Adam Schiff...

Yes, that just happened..

*snicker* I love to laugh at those "helpful hints" too. But you wouldn't be surprised how many folks do actually think they are real. Same crowd that sent the Nigerian Prince their banking information.

Matt Bevin is by far and away the best Governor in America. He's principled and dedicated to not only Kentucky but America First.

Kentucky get out and vote for him on Tuesday!

A Governor is essentially the President of their state. If either KY or MS goes blue on Tuesday there may be trouble ahead. These are very red states. It shouldn't be close

I remember several years ago when he ran for office for the first time against McConnell. Was really hoping he would win. This guy was a school teacher, saw a need and went for it. I would like someday to see him as President.

I have sacrificed everything in the pursuit of Justice for the Seth Rich murder investigation, Those are the facts

I've lost a great paying job, I've lost a marriage, I'm being sued by former Obama White House Attorneys in an attempt to silence me

This is the fight for Justice

This is such a perfect example of how devious the left is. They've proven they don't care about our flag but they sent out a talking point claiming it's a disgrace to alter the flag and even some patriots are buying it.

I am becoming impatient and a little skeptical that Barr will be the hero that Trump supporters have counted on. The days are sliding by, and every week we hear "tomorrow," "this Friday," "next week," "next month." Barr will ride in on his white horse. Let's do this already!

There needs to be a new Division for Scholastic & Intercollegiate Sports-a Trans Division. It's the fair way to do this. And within the Trans Divisions, there should be 2 subdivisions-one for Trans who are biologically Male & the other for Trans who are biologically Female.

Not surprising since they have been working together for the last 10 years hand and hand creating public policy and creating optimal cover for the largest crime syndicate in the history of the world. The United States Government under Obama tenure. Disgraceful

Out of all of the insane Holidays that the kids get out of school for now days, why in the world isn't Veterans Day one of them?

Wouldn't it be great to teach our youth how important our veterans are?

This should be something that all three branches and both parties agree on.

Here's Ambassador Taylor testifying that Ukraine was not aware of a hold on military aid until the end of August, over one month after @realDonaldTrump's call with President Zelensky:

```
      MR. RATCLIFFE:  Okay.  So, based on your knowledge
  nobody in the Ukrainian Government became aware of a hold on
  military aid until 2 days later, on August 29th.
      AMBASSADOR TAYLOR:  That's my understanding.

Absolutely pathetic

@WhoopiGoldberg can't even say @realDonaldTrump or @DonaldJTrumpJr's name when introducing Don Jr. and @kimguilfoyle on #TheView

Here's her as an "African Woman" for Halloween when she was 29. She described her makeup as "darker than her skin"

#TheView has jumped the shark. Whoopi and Joy both lied their asses off. Yes, she admitted to wearing Black face…yes, she ran cover for Polanski. Even more disturbing is that @JoyVBehar claims she wants to tamp down the rhetoric…that's rich. She's the queen of using it.

This was as great as when @realDonaldTrump invited victims of Bill Clinton to the presidential debate.

St. Judes is a legit organization. As a therapist, I have seen first-hand how they helped one of my families in need a few years ago. Absolutely amazing! Well done Chip and Joanna!

I'm sure the fact that Jim Jordan was about to be on the House Intelligence Committee to counter Adam Schiff & the Democrats has nothing to do with this news breaking today to smear & hurt his reputation.

It's hearsay, & it has NOTHING to do with what he's done while in Congress

It's a sad state of affairs when CBS News fires an employee for getting the truth out to the public on Jeffery Epstein. Yet, many of theses same news organizations tout protecting a non-whistleblower (partisan Dem) who worked with people wanting to Coup @realDonaldTrump

**Yashar Ali** @yashar
5. Update: Two sources familiar with the matter tell me that CBS News has fired the staffer in question. This comes after ABC informed CBS that they had determined who accessed the footage of Amy Robach expressing her frustrations about the Epstein story.

I am the only person I know, perhaps the only person in history, who can give major money to charity ($19M), charge no expense, and be attacked by the political hacks in New York State. No wonder why we are all leaving!

Every penny of the $19 million raised by the Trump Foundation went to hundreds of great charitable causes with almost no expenses.

The New York Attorney General is deliberately mischaracterizing this settlement for political purposes.

In fact, the court rejected the Attorney General's frivolous request for statutory penalties, interest and other damages.

It has been 4 years of politically motivated harassment - first by lightweight AG Schneiderman, prior to his resignation for beating up women - then AG Underwood, who was impossible to deal with, and now AG Letitia James, who does not acknowledge that we gave 100% of the funds to great charities, but refuses to investigate the Clinton Foundation with all of its problems. All they found was incredibly effective philanthropy

The Democratic party has completely abandoned the idea of debating policy, weaponized sexual allegations is all they have left

Libel laws must be reformed, we cannot allow the government to be hijacked by accusations without consequences

This bullshit must stop

Bill Barr did not decline my request to talk about Ukraine. The story was a Fake Washington Post con job with an "anonymous" source that doesn't exist. Just read the Transcript. The Justice Department already ruled that the call was good. We don't have freedom of the press!

Why are social media channels scrubbing accounts who mention the alleged whistleblower's name?

If he weren't the whistleblower, wouldn't he come out and stop the confusion?

This is outrageous

I'm being sued for Investigating the unsolved murder of Seth Rich and refusing to stop, and you asked me to "Be brave, say his name, and don't wuss out on us."

It's a BS Defamation suit on behalf of the brother of Seth Rich, by the two most powerful Democrat Law Firms in America. They want to know what our investigators know, and silence us, while crippling us financially at the same time sir.

I'm asked dozens of times each day, how can we help support your investigations if we can't afford to donate.

It's really simple America. If 10% of our followers visited our news and investigations site at TheDCPatriot.com daily we would no longer need crowd funding.

Does it strike anyone else as weird that the Social Media Giants are so obsessed with preventing anyone from mentioning the name of the whistleblower when EVERYONE already knows his name?

Clearly this is on direct marching orders from @RepAdamSchiff who wants him forgotten

All three major equity indices finished higher and at new all time highs all while there are $360 billion in tariffs current on China exports to the United States

The experts keep talking about tariffs as if market, employment, wages aren't soaring. America is winning.

I recommend that Nervous Nancy Pelosi (who backed up Schiff's lie), Shifty Adam Schiff, Sleepy Joe Biden, the Whistleblower (who miraculously disappeared after I released the transcript of the call), the 2nd Whistleblower (who also disappeared), & the I.G., be part of the list

The firing of coaches in year two trend is not a good one. It takes time to build. How about this? Let's hold the AD or "search firm" accountable who made the hire? At some point the coach was "the perfect fit."

You can't be blown out by Western Kentucky at home and lose to San Jose State at home, and be in the SEC...

Sorry, you're dead wrong here. A change had to be made. Morris was 4-18 at Arkansas and 0-14 in the SEC..

That's not change, that's a train wreck.

If members of President Trump's cabinet came to me and asked me to help them subvert his agenda, the agenda that the American people voted for

I wouldn't wait till after left the White House to alert the country or the president.

Did Clinton? No. Did Nixon? No. Among other things, presidents don't testify before Congress for separation of powers purposes. But this outburst by a Trump-hating clown lawyer, like all his outbursts, receives press attention because his wife works for the president.

This makes absolutely no sense... Trump gave Nikki Haley a send off like no one else who's ever left the administration..

You're speculating without facts.

You also have to get clearance to release classified information and conversations for a book, that's how it works.

Temporary solutions vs. Permanent solutions. Forcing the homeless to go to shelters giving them an address and making them do chores in exchange for food, a shower and a bed, is a way off the street. Nothing else is.

Because the entire "impeachment" nightmare is based on LIES and fabrications, and they KNOW that unless they can twist the story to fit their narrative the American public will see through it. There's a good chance they will KILL the impeachment process BEFORE a floor vote!

The left is already trying to politicize a shooting that the details aren't even out on.. These people are sick..

They don't give a damn about Chicago which has had over 2,000 shootings in 2019..

They're pro abortion..

They don't care about children, they care about votes

We don't yet have all the details of the horrifying events in Santa Clarita. But we do know that in America today children are scared to go to school. Parents and teachers are terrified. And that can't stand. It is time to hold the NRA and our leaders in Washington accountable.

Call me radical, but maybe instead of setting ablaze hundreds of millions of dollars on multiple plutocratic, long-shot, very-late presidential bids, we instead invest hundreds of millions into winning majorities of state legislatures across the United States?

There are 400 "experts" saying the exact same thing about the impeachment. By chance and not for any reason at all, CNN chose to highlight Conway who appeared in a different network. It speaks to Kellyanne's professionalism that she dealt with it as calmly as she did

The fact that someone says a Tweet is "Witness Tampering" is a massive and horrible standard in our First Amendment rights as Americans.

The Democrats right now should be very alarming to ALL Americans.

They are wanting to strip away our liberties in all forms.

President-elect Zelenskyy: First of all, thank you so very much, again, for the congratulations. We in Ukraine are an independent country, and independent Ukraine – we're going to do everything for the people. You are, as I said, a great example. We are hoping we can expand on our job as you did. You will always, also, be a great example for many. You are a great example for our new managers. I'd also like to invite you, if it's possible, to the inauguration. I know how busy you are, but if it's possible for you to come to the inauguration ceremony, that would be a great – great thing for you to do to be with us on that day.

The President: Well, that's very nice. I'll look into that, and well – give us the date and, at a very minimum, we'll have a great representative. Or more than one from the United States will be with you on that great day. So, we will have somebody, at a minimum, at a very, very high level, and they will be with you. Really an incredible day for an incredible achievement.

President-elect Zelenskyy: Again, thank you, and we're looking forward to your visit or to the visit of a high level delegation. But there's no word that can describe our wonderful country. How nice, warm, and friendly our people are, how tasty and delicious our food is, and how wonderful Ukraine is. Words cannot describe our country, so it would be best for you to see it yourself. So, if you can come, that would be great. So, again, I invite you to come.

The President: Well, I agree with you about your country and I look forward to it. When I owned Miss Universe, they always had great people. Ukraine was always very well represented. When you're settled in and ready, I'd like to invite you to the White House. We'll have a lot of things to talk about, but we're with you all the way.

President-elect Zelenskyy: Well, thank you for the invitation. We accept the invitation and look forward to the visit. Thank you again. The whole team and I are looking forward to that visit. Thank you, again, for the congratulations. And I think that it will still be great if you

The Duncan, Oklahoma Shooting happened in the parking lot of the Walmart, not inside. The car was targeted, and the gunman killed himself as soon as he was confronted by an armed citizen..

This story will be toast by tomorrow morning, doesn't fit Democrat narratives.

Why are Liberals so angry and triggered?

Donald J Trump is the 45th President of the United States and America is rocking!

Kanye West is supporting the President and leading a Revival of people to Christ like we haven't seen in decades.

Me? I'm loving it!

You're really an idiot stick..

The Oklahoma Shooting has nothing to do with a mass shooting, used a hand gun and was stopped by an armed citizen.

The other one was in California with the strictest gun laws in America..

I'm asked dozens of times each day, how can we help support your investigations and reporting if we can't afford to donate.

It's really simple..

If 10% of our followers visited our website at TheDCPatriot.com daily, we would no longer need crowd funding.

I am HIGHLY impressed with the caliber of witnesses that DEMs have in these hearings.

Lt. Col. Vindman and Jennifer Williams are BOTH nonpartisan pros who know inappropriate, improper requests when they see them.

So now it's "Bribery."

Who did the president "Bribe" and what did he get for it? Be specific

The truth is that "Bribery" is a made up, poll tested charge without any factual basis in this case.

Doctor for @realDonaldTrump said trip to Walter Reed a routine checkup & he didn't have chest pains or other issues. We now await Adam Schiff's subpoena for all @POTUS health records to see if the doctor is LYING. I'm sure Trump would be happy to send him a stool sample

It's amazing how we look at this guy Vindeman's behavior and think the guy is a total hack. His boss said he was a leaker. I go into a celebrity's tweet thread and they are making this guy out to be a George Washington type of hero. Risking his life to testify his truth. Amazing.

How about a Foreign Government asking a Lieutenant Colonel in the US Army to become their Minister of Defense????

Nope, I've never been sued by the Rich family, other than the brother of Seth Rich, which we are in ongoing litigation with.

The Washington Times article had nothing to do with me, & I've never had any communications with the Times, try again.

This is also a lie, I have never stated that the brother was involved in his own brothers murder, that's preposterous.

Do I believe he was involved in the leaking and took money, absolutely. I have multiple sources which have stated that, which you'll see in this lawsuit :)

You mean the fact that Julian Assange told one of my sources that he "paid the boys"..

Yeah, I've got that fact..

Now why would Julian Assange tell one of my sources to "Look at their bank accounts"

Interesting, isn't it..

We'll see you all in court Junior.. Have a good day

That's a random statement

I could say that Julian Assange messaged me and said that "Matt Couch eats nickels and sends him videos of it," that doesn't make it fact.

What access do you have to the Rich's bank statements?

Furthermore, my source has actually met Julian Assange multiple times and it's documented...

Second set of impeachment hearings just went to recess. Fox is not going to its journalists like Chris Wallace or @BretBaier for a summary on what happened. It instead goes to "The Five" panel. @greggutfeld starts off commentary saying, "What a tremendous absolute waste of time."
